INDEPENDENT ACCOUNTANT'S REPORT

Honorable Board of County Commissioners
Martin County, Florida

We have examined the compliance of Martin County, Florida (the County) with the requirements of Section 218.415, 365.172(10), and 365.173(2)(d), Florida Statutes, during the fiscal year ended September 30, 2020. Management is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County is in accordance with those requirements, in all material respects. An examination involves performing procedures to obtain evidence about the County's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2020.
