

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Board of County Commissioners
Martin County, Florida

Report on the Financial Statements

We have audited the basic financial statements of Martin County, Florida (the County) as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated March 28, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and the Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and on Internal Control over Compliance and Chapter 10.550, *Rules of the Auditor General*, Schedule of Findings and Questioned Costs, and Independent Accountant's Report on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in Note 1 of the County's financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based, in part, on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we had the following recommendation:

MLC 2021-001 Purchasing Cards

Criteria: Purchasing card programs may provide an efficient and cost-effective method for procuring small-dollar, high-volume purchases. These programs should have adequate internal controls that include appropriate training and monitoring of Purchasing Card usage by employees.

Condition: During our audit we noted instances of County employees not following the County's Purchasing Card policy and procedures.

Cause: It appears that inadequate training of County employees on appropriate Purchasing Card usage and ineffective monitoring of Purchasing Card transactions may have caused the condition noted above.

Effect: Certain purchasing card transactions were not in accordance with the County's Purchasing Card policy and procedures.

Perspective: The condition noted above appears to be isolated and not a pervasive issue.

Recommendation: We recommend that the County implement procedures to ensure all employees who are provided Purchasing Cards properly adhere to the County's Purchasing Card policy and procedures.

Management's Response: The County Purchasing Division implemented updates to the p-card program as a result of a separate p-card specific audit performed by a separate audit firm. That specific p-card audit confirmed that violations were isolated and not system-wide. The revised p-card procedures were communicated to all p-card users.

Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes. The information below has not been subject to auditing procedures, therefore no assurance is given on the provided information.
